THE KOLORSCAPE® COLLECTION WILL HELP INSPIRE CONFIDENCE IN THE INEXPERIENCED GARDENER!

- These compact, mounded shrubs have stunning flower power, glossy green foliage and a generous bloom cycle that will continue until the first hard frost. They are great in the landscape!
- Self-cleaning roses that are very heat tolerant throughout the entire United States. Bred by Kordes®, the leader in breeding beautiful, disease-resistant roses.
- USDA Zones: 5-9, Height: 36-42", Width: 24-30"
